1. When have you witnessed the “Wonder” of God?
2. The song says, “if I were a wiseman, I would do my part.” If you saw a star that was telling you to travel by camel for the next couple of weeks, possibly months, would you really go? How far are you willing to wander, from the comfort of your life, to meet the wonder of the manger?
3. Herod lived in fear and suspicion of losing his kingdom. So to squash the reign of the King of Kings, he tried to kill it by trying to kill Jesus? Are there “earthly kings” or philosophies which are trying to shut down the Kingdom of the King of Kings? What has been or is the response of the church?
4. The wisemen brought gifts to Jesus. What of yourself can you give to Jesus this Christmas?
5. How does Hope get strengthened by living in the Wonder of the Saviour? Or does it?
6. Is there someone you know who is wandering, or wondering about Jesus, that you could travel that journey to meet the Saviour with them? How as a Connect Group can we pray for that journey?
