---

1. How does God's gift of hope compare to the way the world typically defines hope?
2. How does hope fit into the reality of life?
3. God first told the shepherd's of Jesus' birth. What does that say about their value and how can that comfort us in our own situation?
4. Do you think God still surprises people by showing up in unexpected places?
5. The angels sang "peace on whom his favour rests." Does that phrase ring out for you? Is there peace within your heart? If not, what role does hope play in restoring peace? What role does hope play in keeping peace within your heart?
6. How does a person share living hope with others? Can it be demonstrated without seeming fake or fatalistic?
