## ***Sermon Questions***

***February 18, 2024***

1. This may be scary to do in a group, but at least for your self, how would you rate your prayer life on a scale of 1-10 and where would you realistically like it to be?
2. Is prayer a command or invitation? Can it be both?
3. In Luke 11, the disciples ask Jesus to teach them to pray. Where did you first learn to pray? What have you learned about prayer since then? What is the latest thing God has shown you through prayer?
4. Jesus tells the disciples to watch and pray. Prayer is our source of strength for when we need God's strength. How does the busyness of life and the exhaustion of the day affect your prayer life? What rhythms of life do you have in place to help you get times of prayer?
5. Psalm 37:4 says "Take delight in the Lord, and he will give you the desires of your heart." What are the deepest desires of your heart? Have you prayed that God will give them to you? How do your desires line up with your actions? Are there desires of your heart where Jesus says "watch and pray so that you will not fall into temptation?"
6. What would it take for you to go deeper in your prayer life? What do you think the result would be?
