
Sermon Discussion Questions for July 19, 2026.
Genesis 25 Chosen for Inheritance.

1. What did you hear the Spirit say to you? What will you do in response to what the Spirit said?
2. Conjecture the conversations had between all of Abraham's children, after he died. How would Isaac respond to being left everything? Thinking about the spiritual inheritance, how does that affect the Muslims today? Can they be part of the inheritance?
3. God moves at his own speed, Isaac had to wait 20 years after marrying Rebekah before having children. How are you with waiting for God? How are you with thinking that you might not see the next step or result of the promise?
4. God chooses people for himself. We call it unconditional election. How comfortable are you with that? What are some objections you may have with this idea? How does this fit with the sovereignty of God? How does it fit with our sinfulness and our ability to save ourselves? Does this give you comfort or stress?
5. Before this sermon, what has your impression been of Esau selling his birthright? Has it been more about Jacob trying to get it, or Esau having no regard for it?
6. Esau saw very little value in his birthright? How much do you value being an heir of Abraham and part of the inheritance of the kingdom? Think before speaking. Are there areas in which you have sold out for something the world offers? Are there areas in which you are putting trust for here, rather than in God for the inheritance after you die?
