## ***Sermon Questions***

***March 31, 2024***

1. The gospels don't tell how Jesus rose from the dead, but they do give evidence that he is alive and his body wasn't stolen. Take some time to think about arguments as to why the tomb may be empty and how do you show that they don't disprove the resurrection.
2. This week was Easter, John 20:18 has Mary say "I have seen the Lord." Share ways in which you have seen the Lord in the past year.
3. When things are difficult it is sometimes hard to see God. But when we look back at those times we can see how God was there with us. It is encouraging to others to also hear how God was there. If you are willing, take time to share when God was near even though you didn't see him.
4. Mary asked where did they lay the Lord's body. At the end of the sermon we were also asked where we put God. What are some challenges we face which make it easier to place God aside for a bit.
5. Good Friday and Easter Sunday leaves us in a place of deep thanksgiving. Share things you have to be thankful for (try to go beyond the physical things God provides)
