Sermon Discussion Questions for October 11, 2026.
Luke 17:11-19 Thankful for What?

1. What did you hear the Spirit say to you? What will you do in response to what you heard?
2. We are often hard on the 9 who didn't come back. Put yourself in their shoes. You are on your way to the priest to be declared clean. You haven't seen your spouse or kids or possibly grandkids in over 3 years, would you turn around to go back or would you keep going?
3. Gratitude is such an important part of the Christian life. What are ways we can be more intentional about being grateful in our personal life or in the life of the church?
4. What are the things you are most thankful for from the past year?
5. Has the "entitlement" mindset of society changed the amount of gratitude? Why are some people better at it than others? Can a person become more grateful? How does a person become more grateful? (more than just do it)
6. How much do you consciously think about thanking Jesus for salvation? How easy is it just to live every day without really thinking about the gift of having Christ with you? Do you think you would be more grateful for Christ if you lived in a place in which you were persecuted for your faith?
7. Who has a harder time being grateful; a person who has more than their needs met, or a person who has only a few of their needs met? Does having more than enough tend to make us more or less grateful?
