1. What does it mean to be a “living stone” in the church?
2. What are the foundations of the church which we need to make sure we pass on to the next generation?
3. If Christ is my cornerstone, and he is a rock to lean on and gives life, how do I live my life so that I am connected to that cornerstone, especially when it seems far away?
4. If I am a priest, what does that look like in my daily life? In my life in the church? In my life in the community? What does it mean to be a holy priest? What does it mean to be a royal priest?
5. We see in this passage how God has called us his people, does that give you any assurances? If so what kind of assurance? What does that mean for how I live as a priest and holy nation? What do I need to give up from my previous citizenship?
