1. What are some areas in my life where I am more worried about what people think than about what God thinks?
2. Are there things which we do as a church which are dictated by what the world thinks rather than what God says?
3. Have you experienced or know of someone who has experienced a dramatic release from “prison”? This could be physical or spiritual. In what ways did God release you and did you receive “orders” upon release.
4. We have asked this before, and it needs to continue to be on our minds. How do we determine God’s will verses our will? What about in areas in which the Bible is not clear?
5. The apostles left rejoicing because they had been counted worthy of suffering disgrace for Jesus’ name. Have you ever suffered disgrace for the name of Jesus? Did you rejoice?
6. Gamaliel said that if it is not of God, it will fail. How do we respond to this when we see cults continue to prosper even though their leader has died?
